Sociology A level (Grade C)

Media Production degree graduating 2026

Tech Skills

ADOBE AUDITION / ADOBE PREMIER / PHOTOSHOP / LIGHTROOM / EXCEL SPREAD-SHEET / POWERPOINT / WORD / ILLUSTRATOR / INDESIGN / MYRIAD

Experience

I am in my final year of my degree in Media Production that has equipped me with a strong foundation in storytelling, digital content creation, and technical production skills. Throughout my studies, I gained hands-on experience in video editing, audio recording, studio operations, and post-production, while also developing a solid understanding of media theory and audience engagement. Working on a range of practical projects allowed me to collaborate effectively in team environments, manage tight deadlines, and deliver high-quality visual and audio content. This background has prepared me to contribute creatively and technically to professional media environments.

UWE Newsdays- reporter and cameraman

Contribute to university newsdays, offering stories during pitches and executing professional journalism. Writing for online and radio bulletins. Gathering interviews. Using industry standard tv filming equipment.

Employment

Lauras pizza's kitchen assistant April 2024-now

We are trained to do all the roles within the restaurant. My focus is on the front of house taking orders from customers and communicating with the kitchen so that everything is on time.

La Mona Lisa bar staff May 2023-September 2023

Making drinks and taking orders in Portuguese in a busy Italian Restaurant.

Pie street chef September 2023-May 2023

Prepping and cooking for service often working solo in the kitchen.

Hall trust bar staff August 2021- August 2022

Multiple roles within front of housework. Including wedding preparation and organising other events like comedy nights.

Ticklemore cheese pasteurizer and cheesemaker May 2021- august 2021

Interests

I'm an avid cyclist and spend most weekends exploring new routes, often combining long rides with other passions of wild swimming and film and digital photography.
